BLUE LUNAR
RESTAURANT & BAR
Experience food magic

WELCOME TO BLUE LUNAR

Proudly presenting the most delightful Asian fusion dishes crafted with the freshest ingredients.

Every plate offers a unique and memorable experience. We're excited to welcome you with a friendly smile and a menu full of vibrant flavors.

Our team presents a harmony of Asian and Western cuisines designed to please every palate.

Blue Lunar began with a dream – not of business, but of family.

Chef **Bob** grew up learning to cook beside his mother and grandmother, where food was not just about taste, but about love, care, and connection.

After family moving to Australia in 1999, Bob began his culinary journey in the family's small restaurant. Years later, when it closed, he continued to refine his craft in several five-star hotels around Sydney, carrying with him the flavors and warmth of home.

In 2024, he decided it was time to create something of his own – a place where food could once again tell stories. Together with his younger sister **Ning** and his younger brother **Joe**, they built Blue Lunar, a restaurant that blends Asian tradition with modern warmth.

Behind the scenes, **Fahim** manages the financial operations and ensures stability in every step of growth, while **Got** brings his culinary creativity and teamwork spirit to strengthen the kitchen. Together, they shaped Blue Lunar into what it is today – calm yet full of warmth and feeling, like the moon reflected on still water.

Today, **the Blue Lunar** isn't just a restaurant.

It's a family – a story of love, courage, and shared dreams.

Every dish is made to welcome you not just as a guest, but as part of our story.
